

BENZING Clubsystem

FREE CLUB SOFTWARE

ENHANCING THE PIGEON CLUB RACE EXPERIENCE

Managing all the tasks within your club has become even simpler and more enjoyable! The new BENZING ClubSystem will manage the main task like coupling electronic chiprings, basketing and race evaluation. The free club software "Pidexx" will help you to manage fanciers, pigeons, chiprings and race plans in your club. Connecting an optional BENZING Live Smart Hub will open new possibilities with Live Basketing and Club Evaluation directly into the BENZING Cloud.

Online Basketing + Club Evaluation*

Highest security with the BENZING Pro chipring

Large time and date display + powerful acoustic signals

Printer, print and history via software

Higher reading range of chipring

Easy and complimentary software update

Authorization cards for highest Security

Support for a radio clock and GPS clock

Easily accessible connections for printer, radio clock, PC

* optional a BENZING Live Smart Hub is needed

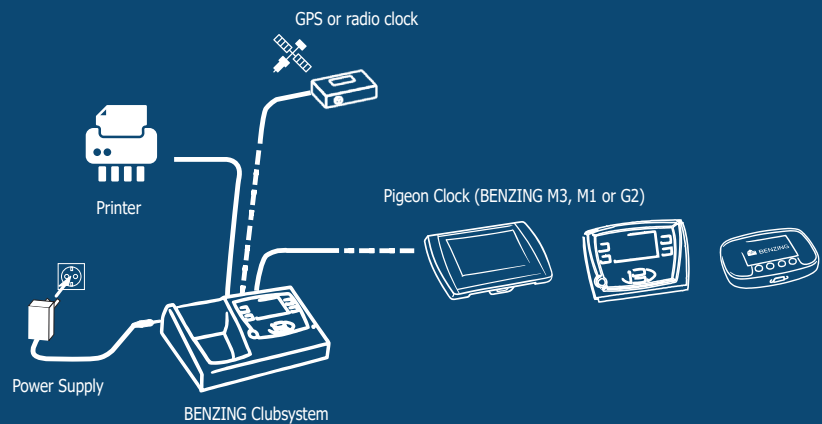

BENZING Clubsystem

Classic Clubsystem

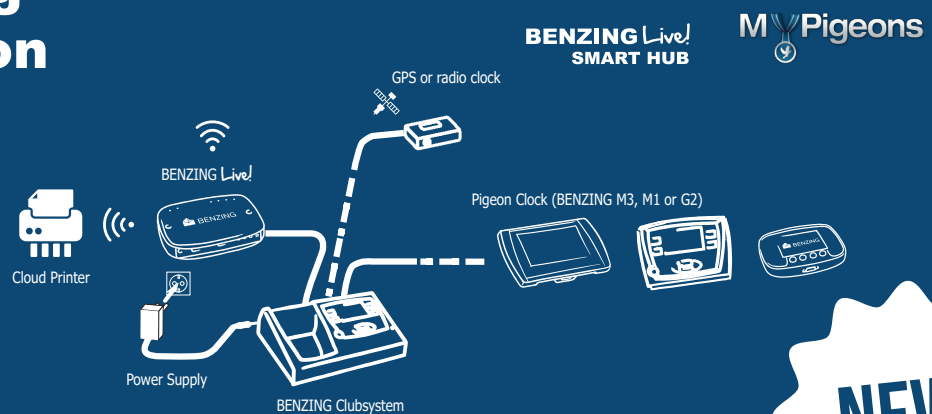

The BENZING ClubSystem supports all BENZING clocks. When using the GPS Receiver the ClubSystem is always set with the correct time.

For the communication with the PC and the additional software you have a RS232 interface and a USB port for easy handling. The BENZING ClubSystem also supports printers and print pdf via software.

Live Basketing Club Evaluation

Additional you can use a BENZING Live! SMART HUB together with your BENZING Clubsystem. This feature gives you the possibility of Live Basketing and Club Evaluation which means that you club has full online access.

NEW!
